INDEPENDENT AUDITOR'S REPORT

Board of Directors
Bountiful Children's Foundation

We have audited the accompanying financial statements of Bountiful Children's Foundation (a nonprofit organization) which comprise the statements of financial position as of December 31, 2020 and 2019, the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Basic Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Bountiful Children's Foundation as of December 31, 2020 and 2019 and the changes in its net assets and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of Bountiful Children's Foundation (the Organization) have been prepared on the accrual basis of accounting. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

Organization

Bountiful Children's Foundation was organized in 1981 as a nonprofit corporation. Its purpose is to nurture the potential of infants and toddlers to lead healthy, productive, and self-reliant lives by eliminating undernutrition throughout the world.

Financial Statement Presentation

The Organization reports information regarding its financial position and activities according to two classes of net assets that are based upon the existence or absence of restrictions on use that are placed by its donors.

Net assets without donor restrictions – Net assets that are not subject to donor-imposed restrictions. The only limits on the use of these net assets are the broad limits resulting for the nature of the organization, the environment in which it operates, the purposes specified in its application for tax-exempt status, and any limits resulting from contractual agreements with creditors and others that are entered into in the course of its operations.

Net assets with donor restrictions – Net assets that are restricted by a donor for use for a particular purpose or in a particular future period. The Organization's unspent contributions are classified in this class if the donor limited their use. When a donor's restriction is satisfied, either by using the resources in the manner specified by the donor or by the passage of time, the expiration of the restriction is reported in the financial statements by reclassifying the net assets from with donor restrictions to net assets without donor restrictions.

At December 31, 2020, the Organization's all donor-restricted amounts are to fund 2021's operations.

All revenues and net gains are reported as increases in net assets without donor restrictions in the statement of activities unless the use of the related resources is subject to donor restrictions. All expenses and net losses are reported as decreases in net assets without donor restrictions.

Cash

At December 31, 2020, the carrying amount of the Organization's cash deposits was \$725,866, and the bank balance was \$665,081, \$250,000 of which was covered by federal depository insurance.

Tax Status

The Organization is exempt from federal income tax under Section 501(a) of the Internal Revenue Code (except for net income derived from unrelated business activities) and is classified as a Section 501(c)(3) public charity. Also, the Organization is not subject to state income taxes.

NOTES TO THE FINANCIAL STATEMENTS

Allocation of Expenses

The costs of providing program and other activities have been summarized on a functional basis in the statement of activities. Certain costs are allocated to one or more program or supporting functions based on time and effort. Such allocations are determined by management on an equitable basis.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of support and revenue and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events

The Organization evaluated subsequent events through September 7, 2021, the date the financial statements were available to be issued. Events occurring after that date have not been evaluated to determine whether a change in the financial statements would be required.
